

REMINDER

It is important that you register with King County Procurement and Contract Services after downloading documents from the RFPs, RFQs & ITBs website. Failure to notify us will result in you not being notified of any addenda, which may result in rejection of your bid/proposal as non-responsive.

To register and download files, refer to the bottom of this document.

KING COUNTY REQUEST FOR PROPOSALS ADVERTISEMENT

King County is requesting Proposal Submittals from firms qualified and interested in providing multi-disciplinary engineering and related services, on a work order basis, to execute a wide variety of Airport projects.

The Request for Proposals, all addenda and current document holder's list, are available on the internet at www.metrokc.gov/finance/procurement/rfp_rfq_itb/default.asp (click the "New" tab then click the "consultants" tab). The County will no longer mail, ship or fax RFP's and addenda.

Interested firms *must* register with the County at time of download and ensure a valid contact email address is given. Notification of addenda will be sent to the registered email address. Failure to register will result in the proposer not being notified of any addenda, which may result in rejection of the proposal as non-responsive.

The estimated value of the contract is \$500,000. The initial period of performance for this contract is one (1) year. The County reserves the right to amend the contract in one (1) year increments up to a maximum of three (3) years, if funds remain. The County plans on issuing one contract.

Contract Title: **Work Order Based Engineering Services for Airport Projects**

Number: **E53014E**

Proposals due **March 28, 2005**

Time: **5:00 p.m.**

Any firm failing to submit information in accordance with the procedures set forth in the Request for Proposal may not be considered responsive and may therefore be subject to disqualification by King County.

SUMMARY OF WORK: The selected consultant shall provide multi-disciplinary engineering and related services, on a work order basis, to execute a wide variety of Airport projects. The consultant should have knowledge of airport and municipal facilities and FAA regulations. Services may include, but not be limited to: engineering analyses, studies and report preparation; development, evaluation and recommendation of design alternatives; development and comparison of cost estimates for alternatives and final designs and services during construction.

SUBCONSULTANT OPPORTUNITIES: The following identifies the types of subconsulting opportunities that may be available on this Contract and are provided only for informational purposes: geotechnical engineering, mechanical engineering, electrical engineering, environmental engineering, surveying, planning and development, airport operations.

CONTRACTING OPPORTUNITIES PILOT PROGRAM: The King County Contracting Opportunities Program is a public contracting assistance program that is being implemented on

a one year pilot basis. The purpose of the Program is to maximize the participation of Small Economically Disadvantaged Businesses (SEDBs) through the use of voluntary participation goals and awarding proposal evaluation points as an incentive factor in the award of King County contracts for Architectural and Engineering (A&E) and Professional services. The SEDB goal for this Project is: **1 Certified firm.**

Refer to the Non-discrimination and Affirmative Action Section of the Request for Proposals for full discussion of the application of the non-discrimination and affirmative action provisions to subconsulting opportunities and the other non-discrimination and affirmative action requirements the Consultant shall comply with.

QUESTIONS: Questions concerning this solicitation should be directed to **Frances Gaucin, Contracts Specialist** at 206-684-1342, TTY Relay: 711. The Proposer may be requested to submit the question in writing. No verbal answers by County personnel will be binding on the County.

This information is available in alternate formats for individuals with disabilities upon advance request by calling 206-684-1327, TTY Relay: 711.
